Ms. Kurtz:

I could not advise you as to whether or not an extension – or a continuance, as the case may be – would be required for you to prepare your case. I will say that it has been common practice for amended applications to be submitted when new information is available in these cases, historically. How you intend to present updated information to the Commission is within your discretion, however.

David Stark

Subject: [External] Re: Docket No. 2021-325-T Virtual Media Plan Survey

David,

Thank you for your email. I will fill out the survey link. In the meantime, I did email the Commission yesterday, but I am not sure that you were on the email. I would like to advise the Commission that Tytan-Up purchased another company vehicle last week. I am seeking assistance on whether I need to amend the application to include this new vehicle and if so, is an extension necessary for our hearing?

I will be providing the Tariff and Direct Testimony to you shortly.

Thank you.

Best Regards,

Victoria W. Kurtz, Esq.

I am David Stark, an attorney with the Public Service Commission. I will be handing the proceeding for Docket No. 2021-325-T prospectively.

I notice that we have a prehearing conference scheduled for January 11, 2022 at 10:00 a.m. In order to facilitate that prehearing conference, which will proceed virtually, I would ask the parties to fill out the information at the following survey link:

This should enable our IT staff to make the videoconferencing software available to everyone.

If there are other outstanding issues or concerns that I should be aware of – please make me aware of them via email copied to all parties and contact@psc.sc.gov .
